

**REPORT/RECOMMENDATION TO THE BOARD OF SUPERVISORS  
OF SAN BERNARDINO COUNTY, CALIFORNIA  
AND RECORD OF ACTION**

March 23, 2004

**FROM:** JUNE GRIFFITH-COLLISON, Associate Director  
Arrowhead Regional Medical Center

**SUBJECT:** AFFILIATION AGREEMENTS WITH CRAFTON HILLS COLLEGE

**RECOMMENDATION:**

1. Approve Amendment No. 1 to Agreement No. 03-380 with Crafton Hills College, which deletes radiology technology students from the affiliation agreement.
2. Approve a new agreement with Crafton Hills College for students enrolled in the Arrowhead Regional Medical Center's radiologic technology program to have the opportunity to obtain an Associate of Science degree at Crafton Hills College.

**BACKGROUND INFORMATION:** Approval of this item will amend Agreement No. 03-380 between the Arrowhead Regional Medical Center (ARMC) and Crafton Hills College, as well as create a new agreement in which ARMC's radiologic technology students can obtain an Associate of Science degree at Crafton Hills College.

A key component of ARMC's mission is to provide education to students in a variety of disciplines. ARMC has a number of agreements with universities and colleges, junior colleges, and technical and trade schools in which it provides on-site clinical training for students. This clinical training is necessary for students to obtain their degree, license and/or certification.

On May 6, 2003, the Board of Supervisors approved Agreement No. 03-380 between ARMC and Crafton Hills College for the clinical training of respiratory care, emergency medicine and radiologic technology students.

ARMC's Radiologic Technology program must follow certain regulatory requirements as imposed by its regulatory agency, the Joint Review Committee on Education in Radiologic Technology, in order to maintain educational accreditation. Due to these requirements, it is more feasible to have a separate affiliation agreement for the radiologic technology students. The new agreement also allows ARMC's radiologic technology students to obtain an Associate of Science degree at Crafton Hills College.

**REVIEW AND APPROVAL BY OTHERS:** This item has been reviewed by County Counsel (Charles J. Larkin, Deputy County Counsel, 387-5433) on February 17, 2004, and County Administrative Office (Bea Valdez, Administrative Analyst, 386-8145) on March 10, 2004.
